**Alternative excursion options will be available to students who have already participated in this excursion.

***Should the weather not be suitable to go to the beach, an alternative excursion will be offered.

****Dinner on Wednesdays and Sundays is scheduled for 20:00 to allow time for delays when returning from excursions.

“Clubs” is activity time during which students have the opportunity to choose their activity. Activities during “Clubs” generally consist of arts and crafts; football; tennis; basketball; swimming; volleyball; relaxing, reading, writing, chatting on the front field; board games and much, much more.

All activities and excursions are compulsory.
